Life After Retirement*

What are you going to do for yourself and what will the cost be?

Are your expectations of returns on your investments realistic?

Will your investments keep up with inflation?

Are taxes a major consideration for you?

What is the most favorable way for you to create your cash flow?

Will your heirs be sustained financially when you are no longer with them?

What is the most suitable way to transfer my wealth?

Is conversion to a Roth IRA more efficient than my Traditional IRA?

Retirement may be the end of your working life, but it certainly is not the end of your financial life. There are many considerations to be examined before electing a course of action; then, who will monitor the course with you? Prudence would dictate that professional guidance should be used.

## Casting Off

### Thirtieth Anniversary Marion-Bermuda Race

By Kenneth J. Souza

Celebrating its 30th anniversary this year, the Marion-Bermuda Cruising Yacht Race will cast off from the waters of Sippican Harbor in Marion on Friday, June 15. The race is the east coast's biggest Offshore Racing Rule (ORR) event of the year, which will commence at 12:30 pm on Friday with the monohull division's First Warning Signal, and then again on Saturday with the multihull division starting at 11:00 am. As of earlier this week, some 76 yachts were registered to make the 645-mile trek to the sunny islands of Bermuda, with last-min-

ute onsite registrations being accepted through June 14.

The stage is set for the race to begin from Buzzards Bay on Friday and Saturday. Several boats have had to withdraw because of mechanical problems leaving the fleet with an estimated field of 73 monohulls and three multihulls. At home spectators can follow the progress of the race on iBoatTrack at [www.iboattrack.com](http://www.iboattrack.com).

Henry Roberts, race scorer, said this week that

**On the cover:** The first of our three summer cover contest winners, Lucille Jardin, submitted this amusing picture titled "I'll go if you will." Readers selected Ms. Jardin's entry online and she'll be receiving a great prize for her effort. Our next Mattapoisett cover contest will include the theme of "Mattapoisett Harbor Days" and the deadline to submit entries is July 2 at 12:00 noon, so get busy! That cover will be published on July 19. A Rochester cover contest to coincide with the Rochester Country Fair will also be published on August 16, with an entry deadline set for July 31 at 12:00 noon.

scratch sheets were being prepared to divide the fleet into classes and divisions. "US Sailing which administers the ORR and IRC ratings, will crunch the numbers for the fleet," he said. "We are waiting to make sure we get the latest data. Then we can produce the class breaks." ORR is the main rule for the race, but 13 boats will also race under non-endorsed IRC for another set of prizes.

The race pits spinnaker and non-spinnaker and celestial and electronically navigated boats into an overall performance competition for the coveted Goslings Founders Trophy.

Yachts choosing to sail with celestial navigation only will receive a favorable 2 percent rating credit to their corrected time. They will then compete alongside yachts using electronic navigation for overall prizes. The 2 percent rating credit reflects the statistical difference between celestial and electronic performance in the past three Marion-Bermuda Races. Yachts racing spinnaker and non-spinnaker will be rated accordingly under the rating handicap system.

In the last 2005 Marion-Bermuda Race, 68 monohulls and seven multihulls participated in the event, with *Panacea* captained by Gus MacDonald taking the First Overall honors and *Mameluke* captained by Greg Storer earning the honor of First to Finish.

This year's fleet is shaping up to be one of the largest in years, and Marion-Bermuda Marketing Director Ray Cullum is pleased with the entries in this year's clas-

"(The Marion-Bermuda Race) has a lot to offer experienced racers or the cruising sailor who wants to gain offshore experience," Mr. Cullum said. "Marion-Bermuda is the perfect offshore event to hone those seamanship skills while enjoying the competition.

participate in this year's challenge.

"I'm nervous about the crew," mused fellow crew member Mike Davis, who will join Captain Chevrier and Mr. Cullum along with mates Charlie Brown, Bob Kostyla and David Risch on the jaunt from Marion to Bermuda this year.

"There's so much luck involved in this race," added crew member Charlie Brown when asked how he thought the reunited crew would fare in this year's event. "You may choose a strategy which looks great when you depart and even looks great two days later but ends up, in hindsight, not being the right strategy."

"But most of all, you want to have fun," Mr. Davis stressed.

This prestigious race began in 1977 with its roots deep in the Corinthian spirit. The Beverly Yacht Club, the Blue Water Sailing Club, and the Royal Hamilton Amateur Dinghy Club alternately host the event.

The Marion-Bermuda Race is open to single-hulled and multi-hulled sailing vessels with a minimum hull length of 32 feet, exclusive of sprits, and a maximum length of 80 feet. In 2005, the race was open for the first time to two new categories — Multi-hull yachts and Double-Handed yachts. Also for the first time, a trophy was awarded for the best finish of a yacht with an all-female crew. In 2007, scoring for IRC classes will be added to the mix. This addition opens the race to a broader spectrum of competitors.

Also for the first time in Marion this year, *Sail Magazine* will present the second annual Bermuda Ocean Cruising Yacht Trophy. This new prize is presented to the performing captain in successive Newport-Bermuda and Marion-Bermuda Races. The first pair of these trophies was presented to two deserving captains. Jeff White of Radnor, PA sailed his Hylas 49 *Makai* in both the 2005 Marion and 2006 Newport ocean races and was the top boat among boats that had sailed in both events. Laura Sudarsky of New York sailed *Cassiopeia* to the lowest combined score considering all Cruiser Division boats racing in both races.

"We want the Marion-Bermuda Race to be a special experience for everyone," said Royal Hamilton Dinghy Club Commodore Charles Dunstan. "We've planned finish line visits and Lighthouse tours, Bermuda House and Garden tours, and a St. George's tour via the powercat *Wildcat*."

Mr. Dunstan noted that Friday is a big fun day and Saturday is reserved for golf, an awards ceremony and a gala dinner in Bermuda.

The event was both inspirational and cathartic for those who came out to walk through the night, with many of the participants having either battled cancer themselves or stood at the side of a loved one as they coped through their own

struggles with the disease.

Preparations for this fundraiser have been ongoing virtually since last year's event ended. This year represented the local chapter of the American Cancer Society's first attempt at pursuing corporate sponsorship and, by all accounts, these efforts have helped to up the ante as the group and its 21 teams of walkers had raised more than \$60,000 before the first step had been taken on Friday night — more than tripling the total amount of money raised in the first year of the walk-a-thon in 2005.

The theme at ORR this past weekend was one of hope. Signs ringed the track with advice and tips on how to live healthy lives and how individuals could help in the battle to eradicate cancer. Opening ceremonies at 6:00

pm included many survivors who would later lead the opening lap of the night's activities. In honoring the survivors for the hope and courage that they brought to all in attendance, the Lareau family prepared a survivors' meal of scallop and shrimp tortellini that also included dishes donated by Turks Seafood and the Mattapoisett Chowder House. Leaving no stone unturned in their fund-raising efforts, the group offered the leftovers to anyone who cared to join for a small donation per person.

One of the most touching moments of the evening came at 9:00 pm when the Luminaria Ceremony and memorial slide show began. Over 500 luminaria bags encircling the inner lane of the quarter-mile track were lit in memory of friends and loved ones who had succumbed to the disease. Slides were presented on a screen at the side of the track putting names and faces to some of the many people who were taken far too early by one of the many forms of cancer.

Although the event was inspired by a grim foe, those who attended seemed resolved to make the most out of living while honoring those who had been lost. There was an almost festive atmosphere throughout the night with the various groups decorating their campsites bright colors that reflected the variety of themed laps such as the Under the Sea lap, the Neon lap or the Beauty and the Beast lap that the groups would be participating in. In fact, the ORR Drama Club even presented a shortened version of their recent *Beauty and the Beast* production to entertain the crowd as they either took a break from the relay or continued their walks. The campers also used their sites to raise funds through raffles and sales of food and other items.

As the event grows from year to year the hope is that eventually fundraisers of this kind will someday become a distant memory as a cure for cancer is found.

## Marion Student Completes Wilderness Course By Robert Chiarito

Local Student Hunter Nadler of Marion recently completed an 80-day semester course in the Patagonia wilderness of Chile and Argentina with the National Outdoor Leadership School (NOLS). The NOLS offers what can be considered the ultimate in wilderness classroom experience in some of the world's most challenging environments.

After spending ten days learning wilderness first aid techniques and earning Wilderness First Responder certificates, Mr. Nadler and his classmates then began a remarkable expedition covering some of the most unforgiving terrain. The group set off in sea kayaks and spent 26 days navigating the rugged Chilean coastline covering over 170 nautical miles in the process. During the journey three instructors focused on honing the group of fourteen students' coastal navigation, rescue skills, route planning and paddling techniques. During the entirety of their trip the students were asked to adhere to the NOLS ethos of leaving no trace as the group concentrated on not dis-

turbing the fragile environment that they were traveling through.

The second section of the course involved traveling through the awe inspiring majesty of the Andes Mountain Range. Students faced the challenges of learning map and compass navigation as they encountered heavily vegetated slopes, lush expanses of green valley and mountain river systems along their route.

Traveling on foot for 28 days, the group reached the summit of Volcan Michimahuida which stands 2,400 meters above sea level. With their instructors' approval as to their readiness to continue, students set off on independent student group travel for ten days. Students and instructors worked hand in hand to prepare the group for

this final leg of the adventure making plans for the routes the students would take and making certain that they possessed the skills necessary to complete the journey ahead.

In the end each student came away changed. They left their journeys with the skills needed to survive and travel in wilds of the world while gaining valuable leadership abilities and the knowledge to teach others how to do the same. Students came away satisfied in the knowledge that they would be able to lead others in similar class settings.

This is just one of the many wilderness class options offered by the National Outdoor Leadership School. Founded in 1965 by mountaineer Paul Petzoldt, this unique school has "classrooms" throughout the globe offering their students a rewarding and challenging environment where each individual not only discovers one of the world's great wild regions, but also rewards the individual with a journey of self discovery not offered in any other setting.

pm by Chairman Raymond H. Andrews. Also present were Selectman Jordan C. Collyer, Selectman Stephen J. Lombard, Town Administrator Michael J. Botelho, and Administrative Assistant Melody Pacheco.

The board first approved the minutes of the May 22, 2007 meeting, then voted to approve two "Hawkers and Peddlers" Licenses for Jose P. Silvestre of South Dartmouth for his ice cream truck to sell ice cream, soda, candy and chips from his truck in Mattapoissett and also for Reuben Wood of 12 Pine Street to sell fruit, vegetables, and flowers out of his van at the North Street Park 'n' Ride and the Town Wharf.

At 7:05 pm the board met with Barry Perkins to present him with a Certificate of Appreciation for serving 15 years on the Planning Board and also with James Hunt-oon to present him with a similar commendation for his 10 years of past service on the Water/Sewer Commission.

"It was a pleasure," Mr. Perkins said upon receiving his certificate.

"I want to commend anyone who goes into public service, because it's really done from the heart," Mr. Hunt-oon said. "You mostly get complaints, but sometimes it can be rewarding."

The board next met with Paul Silva to discuss his recent letter of resignation from the Finance Committee (FinCom), which the board unanimously approved with regret. Mr. Silva was recently elected to serve as the town's representative to the ORR District School Commit-

Jay Gould, DVM

### PARROT FEVER

*I recently purchased an Amazon parrot that was sneezing and seemed ill. My cockatiel is now sneezing and I have been fighting the flu for the last month. Is there any connection?*

Yes. Birds get psittacosis, also call "parrot fever" and "chlamydiosis". This infectious disease can be spread to people as well as to other birds. Among the signs to look for in birds are sneezing, puffed up feathers and green to yellow diarrhea. Some birds show no obvious signs. People get flu-like symptoms often with a chronic hacking cough and headaches. It is an excellent idea to have your veterinarian check newly acquired birds, or birds showing signs of illness for parrot fever.

tee and he felt he couldn't serve in both capacities.

"I want to thank you for your support in the past," Mr. Silva said.

The board noted they will miss Mr. Silva's guidance on the FinCom, but welcome his expertise on the ORR School Committee.

"I had the opportunity to work with Mr. Silva for four years on the budget process and people need to know all the work that goes into this," Mr. Botelho said. "He put in a lot of time and effort."

With Mr. Silva's resignation, there is now an opening for an "at large" position on the FinCom. Those interested should contact the Board of Selectmen, c/o Mattapoissett Town Hall, 16 Main Street, Mattapoissett, MA

The board next unanimously voted to accept the resignation of Kenneth Pacheco, 2 Chapel Road, from the Mattapoisett Tree Planting Committee.

Likewise, the board noted there are several vacancies on the Mattapoisett Tree Planting Committee and those interested in filling them should contact the Board of Selectmen, c/o Mattapoisett Town Hall, 16 Main Street, Mattapoisett, MA 02739.

After unanimously approving various appointments/reappointments for 2007-2008, the board considered a request from Betty Barrows, former owner of Brad's, Inc., for a liquor license abatement for the remainder of the year since new owners have taken over the establishment and paid for a full year's liquor license. The board unanimously voted to approve the abatement as requested.

The board also received a request from Louise Vandal of the Ice Cream Slip asking to hold free public concerts on Saturday evenings with easy listening music from 6:00 to 9:00 pm in Shipyard Park's gazebo. The board approved the request, as long as it didn't interfere with any previously-planned events in Shipyard Park. This easy-listening music will be provided in lieu of the long-running Saturday night Square Dances on the Wharf which will no longer take place.

"It's sad to see a longtime Mattapoisett tradition end," Chairman Andrews said of the demise of the Square

The board also received a letter of concern from town resident John Hinman regarding fishing at Ned's Point after dusk.

"This past Saturday evening at 10:10 pm, I was fishing stripers from Ned's Point when a policeman approached me and told me to leave," Mr. Hinman wrote. "He told me if I refused, I would be *arrested for trespassing!* He told me this was due to a recent ordinance that you had enacted. I find this so absurd; I am at a loss for words. I have lived here for 41 years and always fished at Ned's Point at night."

"This was a policy developed by previous Boards of Selectmen ... and the reason for it was because of the rowdiness at Ned's Point after dark," Selectman Lombard explained. "It's really a parking issue. I'm not prepared to make changes without having a meeting about this first. I'd also like to talk to the Police Chief about the reasons involved and if there needs to be a change, maybe we can discuss it. I don't want to close any park to anyone in town (but) I'd like to look into the ordinance and see what it says."

"We do have it posted that Ned's Point is closed after dusk," Mr. Botelho added.

Alan Greenberg of Brookline, MA next submitted a request to sell American flags and balloons at the Sesquicentennial Parade slated for August 4. The board asked this be referred to the Police Chief as it requires a

### Rochester Selectmen's Meeting

June 11, 2007

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, June 11 at 6:58 pm by Chairman Bradford N. Morse. Also present were Selectman Richard Nunes, Selectman Dan A. McGaffey, and Town Administrator Richard LaCamera. Administrative Assistant Veronica Lafreniere was not present for the meeting.

The board first unanimously approved the minutes of the May 21 regular meeting and the June 4 Executive Session meeting.

At 7:00 pm the board held a final public interview with Richard Leibowitz, the finalist for the position of Building Commissioner in Rochester. The board was prepared to offer Mr. Leibowitz the position.

"What we'd like to do as a board is to authorize (Mr. LaCamera) to enter into a contract with you ... for the

first year," Chairman Morse said.

"The board is planning on selecting you (for the position), but we want you to talk to the Town Administrator as to the terms of your contract," Selectman Nunes added, "because we understand there may be things you want that our Compensation Plan doesn't offer."

Both Mr. Leibowitz and Mr. LaCamera agreed to meet to hammer out the contract details. Mr. Leibowitz then offered a brief summary of his past work experience.

"I'm currently the Local Building Inspector for the Town of Brewster, I've been there for about two years now, and I previously worked in Fall River," he said. "I teach the Building Code for Instructor Training ... (and was a) former contractor myself."

Mr. Leibowitz explained that the positions of "Local Building Inspector" and "Building Commissioner" differ in terms of state certification. A Building Commissioner is required to pass five state exams in order to be certified in that capacity. Mr. Leibowitz is so certified.

With that, the board unanimously voted to offer the position of Rochester Building Commissioner to Mr. Leibowitz, contingent upon negotiating a contract with the Town Administrator. Mr. Leibowitz is slated to begin working for the Town of Rochester on July 1, 2007.

At 7:05 pm the board met with Chief Dispatcher Tracy Eldridge to consider the appointment of two part-time dispatchers with the Communications Department. Ms. Eldridge recommended the appointment of Rochester

one-year term and also asked Ms. Eldridge to come back with a proposal to better fulfill her staffing needs.

Under the Town Administrator's report, Mr. LaCamera wished to thank all the town departments for their support in getting the budgets completed for the Annual Town Meeting. He also acknowledged that although the by-law amendments didn't all get passed due to a lack of a quorum, he was pleased the fiscal budget items were approved.

"As you know at the Annual Town Meeting we did not complete some of the by-law changes, so we'll postpone those for the next Special Town Meeting in the fall," Mr. LaCamera said. "Right now, it will probably be in September or October."

Mr. LaCamera said he is working on new three-year contracts for both the Police Chief and Chief Dispatcher positions and he hopes to have final contracts for the board's approval at their next meeting on Monday, June 25.

"As you know, Town Meeting (also) approved the Treasurer's position as a full-time position," Mr. LaCamera said. "I'd like the board's permission to post that job in the hopes of getting someone hired by mid-July."

Mr. LaCamera next provided a quick update on the status of the SEMASS/Covanta facility. According to him, the Rochester plant is now back up and running "in excess of 90 percent capacity at this point" and "they have

In more positive news, Mr. LaCamera reported that the Town of Rochester just received two grants for which they applied from Eastern Bank — one for \$5,000 to cover the costs of the new handicap access ramp for the Plumb Memorial Library, and another \$5,000 to be used for the Rochester Senior Center.

"I'd like to send a letter to Eastern Bank thanking them for their donations," Mr. LaCamera said.

Lastly, Mr. LaCamera wished to make a correction as reported in *The Wanderer* during their last regular meeting. Chris Park has not resigned from the Finance Committee (FinCom) as was incorrectly stated.

Under correspondence, the board received a letter of resignation from Richard Wisniewski who is stepping down from the Personnel Board effective August 1 since he will be moving out of town. The board agreed to accept his resignation and to send him a letter of appreciation for his past contributions.

The board also received notification from the Mat-tapoisett/Rochester Veterans Office of their new hours, effective July 1, 2007 as follows: Tuesday and Wednesday, 8:00 am to 4:00 pm; and Thursday and Friday by appointment only. The office will be closed on Mondays.

Under Old Business, the board agreed to hold consideration of appointing someone to the Conservation Commission (ConCom) until their next meeting.

On a similar note under New Business, Chairman

Morse noted several vacancies exist on the Finance Committee (FinCom); Conservation Commission (ConCom); the Personnel Board; the Open Space Committee; and the Agricultural Committee. Residents interested in serving on any of these boards are urged to send a letter of interest to the Rochester Board of Selectmen, c/o Rochester Town Hall, 1 Constitution Way, Rochester, MA 02770.

Also under New Business, the board voiced some concern over the carnival rides that were set up in the Plumb Corner Mall field across from Town Hall earlier in the day for a planned Summer Fair event to take place later in the week. The event is a fundraiser for and sponsored by the Rochester Lions Club, but no one in Town Hall was aware of the event beforehand.

"The Lions Club has run a carnival from time to time and I think it's pretty careless to set up without getting the proper permits," Selectman McGaffey said. "We appreciate all that the Lions Club does, but I think we need to write a strong letter to them saying we really don't want to see this happen again."

The board made a point of stressing how organizers of similar events such as the Rochester Country Fair or the upcoming Cole Brothers Circus planned for June 20 and 21 have all followed the proper permitting procedures and the Lions Club should do the same.

"I really don't think they know the liability implications," Chairman Morse said.

"We can deal with the permitting locally, but the state is required to inspect all rides before they open up," Mr. LaCamera added.

Lastly, Mr. LaCamera noted that David J. Ferreira, the longtime Superintendent/Director of Old Colony Regional Vocational Technical High School, is retiring this year after serving for 30-plus years at the school; and also Principal Bruce Clarke of Old Rochester Regional High

School is stepping down from his post. The board agreed to send letters of appreciation to both for their past efforts.

Selectman Nunes also suggested that with pending negotiations between the Wampanoag Indians and the Town of Middleboro now taking place, he would like to make sure that compensation considerations are made for neighboring towns to offset any negative impacts as was done with the Foxwoods Casino facility in Connecticut.

"If there is some sort of discussion with other communities, we should be a part of it," Selectman Nunes said.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 7:30 pm.

### Sports Shorts

By Robert Chiarito

Old Rochester Regional High School's **Stephanie Reusch** may have graduated last weekend, but that has not stopped her from continuing her dominant season for yet one more win as the Senior Hurdler showed her breathtaking skills at the at the New England Track and Field Championships at Fitchburg State University on Saturday, June 9. As she has done over and over this year, Ms. Reusch left the field in her wake as she bested the finest high school runners in the Northeast by posting a personal best time of 43.65 seconds to win the 300 hurdles. The University of Rhode Island-bound runner plans to compete in the 300 hurdles and the pentathlon at the collegiate level. *The Wanderer* wishes the best of luck to one of ORR's finest student athletes ever.

The season also came to end for several other Bulldog squads as they bowed from postseason play over the past week. Cape Cod Academy, who gave the **ORR Boys Tennis Team** their only regular season loss, bounced the Bulldogs once again, 4-1, in the MIAA Division 2 South Sectional semifinals match-up. **ORR Coach Jim Merchant** hoped that the team's two regular season meetings would give the Bulldogs an idea of what would be in store should the two teams meet in the playoffs. The teams split the regular season matches and each posted wins over tough competition on their way to their third and final meeting as ORR downed Coyle-Cassidy High

School, 3-2, on Wednesday, June 6 as CCA won over Medfield the next afternoon. In their match-up on Friday, ORR received its lone win from the number one doubles team of **Jeff Barrett** and **Brian Berry** as CAA proved to be too much for the Bulldogs. Still, this season can be considered nothing but a success for the 2007 SCC champs who should be solid again in 2008.

The **ORR Baseball Team** fell 6-4 to Bishop Stang High School in their opening round of the MIAA South Sectional Division 2 playoffs on Tuesday, June 5. The Bulldogs mounted a rally in the late innings, scoring two runs in both the fifth and sixth innings after trailing 6-0 through four, but came up just short in the end. **Kyle Amicucci** was the only Bulldog with more than one hit as he collected two of ORR's seven knocks. The Bulldogs end their year with a record of 16-5 with many of this season's key players returning next year.

**Amber Zablowsky** took a no-hitter into the sixth inning of the **Lady Bulldogs'** first round MIAA South Sectional Division 2 Softball playoffs match-up against Mashpee only to lose the no hitter and the game in the final two innings. Mashpee collected their first hit and run in the top of the sixth and added five more runs in the top of the seventh to win 6-2. The Lady Bulldogs finished the year at 12-9.

### ***Vintage Baseball***

The **Ironsides Base Ball Club** is looking for anyone interested in 19th century baseball. The Ironsides Base Ball Club takes its name from an actual baseball club that began playing in New Bedford in 1858. They will play the game wearing uniforms and using the rules and equipment of 1858. They are scheduled to play two games during the week of August 4-12 and are currently recruiting players, umpires, scorekeepers, and sideline interpreters.

During this week they are planning a 19th century "pick-up" game with Mattapoisett residents. No experience is necessary, just a love for the game and an interest in baseball history. Leave your glove at home. For further information or to sign up, please call **Kyle DeCicco-Carey** at 508-758-3308 or visit the SouthCoast Vintage Base Ball web site at [www.scvbb.org](http://www.scvbb.org) or [info@scvbb.org](mailto:info@scvbb.org). Practice will be at Hastings Middle School, Field #3 in Fairhaven. If you saw an announcement for practice and you just want to show up, you're welcome.

*A message from the Mattapoissett Ladies Auxiliary:*

## **Please remember to vote on Tuesday, June 26<sup>th</sup>!!**

There is call for our town to invest in the construction of a fire station that is secure, efficient, and accommodating to Mattapoissett's safety needs. The dedicated members of our local fire department continually rise to the occasion to support our community through programs and services including fire prevention, educating our children, public fire safety awareness, emergency response to structural and brush fires, automobile accidents, storms, environmental hazards, etc. Now, it is our turn, as caring community members, to support our firefighters and keep *them* safe!

### ***Where will the proposed station be located?***

The town owned site next to the police station.

### ***So, why do we need a new fire station now?***

#### **1.) *Safety!***

The operating station:

- Has no exhaust ventilation system for vehicles
- Has no decontamination area
- Freely allocates public access to ***all*** Firefighting Equipment and apparatus which poses an acute security issue

#### **2.) *Lack of Space!***

The operating station has:

- Insufficient administrative areas
- Inadequate storage for documents
- Unavailable indoor storage for all existing equipment
- No maintenance and/or repair sector
- No suitable space/technology for a central hub emergency center
- Limited parking

*Please be an informed responsible voter. You can view the proposed plans for the station as well as a list of additional FAQ by visiting the Mattapoissett Fire Station's website at [www.mattapoissett.org/MFD](http://www.mattapoissett.org/MFD). The department also welcomes your inquiry and interest in this proposal. They are available 7 days a week from 8-4 to discuss your questions!*

**Letters to the Editor**

**To the Editor:**

What has happened to the neighborhood on Brandt Island? Anonymous complaint letters, verbal name-calling at the Town Hall, code violation complaints asking to deny occupancy and now a complaint letter about our Building Inspector.

We all have to live together, or at least close enough to be able to look over the fence and tell your neighbor that you have a problem and discuss it.

Most recently when I had an ocean view problem with an 8-foot by 8-foot hedge, I went over to the new neighbor, had a nice conversation and she has been wonderful. It works.

There are a number of non-involved neighbors that are really upset about this and it could have been prevented.

Sincerely,  
John F. Haley

I would also like to apologize for not calling for a checklist Fire Station vote (Article 8) at the Annual Town Meeting. I very simply was not paying attention (guess I was sleeping). Sorry. People are so afraid to vote in a hand or voice vote due to the possibility of loss of friendship. But with friends like that, you don't need enemies. Bottom line: thinking caps are in-style on the 26th of June. We lost by 6 votes (2/3 majority). Little things mean a lot. Help me help your town.

Election regarding Chapter Land Property Classifications. A property owner whose land qualifies for one of these classifications will be granted a reduction in assessed value by the Commonwealth of Massachusetts. The State Legislature created three classifications of what is commonly called "Chapter Land." Chapter 61 refers to Forest Land. Chapter 61A refers to Agricultural or Horticultural Land. Chapter 61B refers to Recreational Land. Any reduction in assessed values as a result of these classifications applies only to *land*. Buildings and the land upon which they are located are assessed at full and fair market value.

In order to qualify for Chapter 61 (Forest Land) classification, an applicant must have the contiguous acres of Forest Land and a 10-Year Management Plan certified by the State Forester. The plan is to be renewed with the State Forester and filed with the Board of Assessors every ten years. If the applicant files timely with the Board of Assessors, the Board *must reduce* the assessed value of the land. Currently, by Statute, forest land is assessed at 5 percent of full and fair market value. The Town (of Marion) has nine (9) properties in this classification.

In order to qualify for Chapter 61A (Agricultural and Horticultural Land) classification, an applicant must have at least five contiguous acres of land and a minimum amount of gross sales based on acreage. The land must also have been actively devoted to an agricultural or horticultural use for the prior two years. If the applicant qualifies and files annually with the Board of Assessors by October 1, the Board *must reduce* the assessed value of the land. The assessed value of agricultural and horticultural land is determined yearly by the Farmland Valuation Advisory Commission. The Town (of Marion) has seventeen (17) properties in this classification.

In order to qualify for Chapter 61B (Recreational Land)

classification, an applicant must have five acres of land in a natural, wild, open or landscaped condition. Recreational Land is limited by Statute to the following: hiking, camping, nature study and observation, boating, golfing, horseback riding, hunting, fishing, skiing, swimming, picnicking, private non-commercial flying, hang gliding, non-commercial youth soccer, archery and target shooting. If the applicant qualifies and files annually with the Board of Assessors by October 1, the Board *must reduce* the assessed value of the land. By Statute, recreational land is assessed at 25 percent of full and fair market value. The Town (of Marion) has three (3) properties in this classification: two golf courses and a beach club.

In the year of initial Chapter Land property classification, the Board of Assessors places a lien on the property at the Plymouth County Registry of Deeds. Early withdrawal from any

I wanted to share my story with you to help raise the awareness of breast cancer. I have signed up to participate in the Susan G. This is a 60-mile walk over three days with the net proceeds funding breast cancer research, education, screening and treatment.

I walk for my Mom, Shirley Mason, who was diagnosed with breast cancer last fall. Mom battled it and is on the road to recovery after a double mastectomy, chemotherapy and radiation. These past eight months have been an eye opener for my entire family as we have finally come to realize how short

If you are unable to attend and would like to donate to this extremely worthy cause, you can do so by going to: [www.the3day.org](http://www.the3day.org), donate, Boston then enter Kelly Sullivan-Morgado. This will bring you to my team page, "I walk for you." Please remember that all donations are tax deductible.

## To the Editor:

Through the generosity of Mattapoissett taxpayers, the Local Town Scholarship Committee has awarded 32 scholarships to deserving high school graduates since 2001, totaling \$17,600. All recipients are residents of Mattapoissett.

This year, the scholarships are dedicated to the memory of Clara Morgan, who served on the committee for six years. Clara brought to the committee her wisdom and dedication as well as her commitment as a longtime, beloved teacher at Center School.

The fund, established under Massachusetts General Laws, has been built and sustained by many small donations over the past seven years. In order for this fund to continue to be a resource for college-bound youth, donations are urgently needed. This year the scholarships awarded totaled \$2,700.

Contribution forms are mailed each year with Excise Tax bills. However, residents can make fully tax-deductible donations at any time and are encouraged to consider ones given in memory or in honor of a special person.

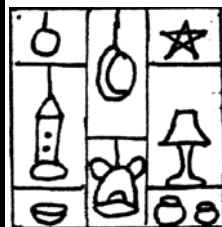

Scholarship winners for 2007 are: Michael Cormier; Kyle MacDonald; Graham Mills; Naomi Sylvia; and Jakob Thuestad.

With sincere appreciation to all who have contributed.

Robert G. Doug Forbes, the area coordinator for MEMA, said that he felt this was an "excellent drill."

Please join noted local painter Charles Parsons on Sunday, June 24 from 1:30 to 3:30 pm in Shipyard Park in Mattapoisett. An award-winning artist from Marion, Dr. Parsons uses salt marshes, estuaries, and small coastal villages and boat yards as inspiration for his paintings, most of which are done in "plein air." Because he believes he is best able to capture the spirit, space, and atmosphere of his chosen subjects when he paints on location, Dr. Parsons works outdoors all year round and in all seasons. Dr. Parsons studied painting at UMass Dartmouth and the Rhode Island School of Design (RISD). He received his BA at Bucknell University and Doctorate at Temple University. He works in watercolor, oil, and acrylic. Occasionally, he teaches painting workshops around New England. Special guest Judy Wallace will be performing blues and jazz that swings on guitar, with CDs available for purchase. All proceeds will benefit the Mattapoisett Library's Furnishings Campaign.

## ATTENTION DRIVERS

If you are involved in a collision you have the right to have your investment, your vehicle, repaired at a shop of your choice. Your insurance company may suggest a list of repair shops. Do not be persuaded by this list, it is not a guarantee of quality of services, nor does it limit your options. You want a shop who will work for you and with you to put your vehicle back to pre-accident condition. **COLLISION SERVICES OF MARION, INC.** is a licensed, bonded, registered repair shop with the state of Massachusetts. We work with all insurance companies to expedite your repairs. The important thing to remember is we repair the vehicle for you, our customers, not the insurance companies. # MOVIE REVIEW

## Blood Work

By Rob Gonsalves  
www.robsmovievault.com

**Hostel: Part II.** Starring Lauren German and Roger Bart. Directed by Eli Roth. Running time: 93 minutes. MPAA rating: R.

In Eli Roth's unfairly vilified *Hostel* (2006), young men who wanted to get their kicks by treating women as commodities got a ghastly comeuppance by ... being treated as commodities. In the vicious monetary universe of *Hostel*, someone else always has more money and is willing to pay for the privilege of dismantling a living human body. So when the frat boys were chained to a rusty chair and made to wait for a masked stranger to do to them whatever struck his sadistic fancy, it was Roth's sneaky way of putting the film's young male audience in the position of being violated, savaged, raped.

*Hostel: Part II*, sadly, has no such point. Roth has switched genders here, making the three unlucky college kids female — rich kid Beth (Lauren German), dorky Lorna (Heather Matarazzo), and sullen party chick Whitney (Bijou Phillips). We knew what Jay Hernandez (who reprises his role here in a brief prologue) and his two buddies had done to deserve their fates, but why are these girls being punished? For being in the wrong place at the wrong time? What, exactly, separates *Hostel: Part II* from fifty other female-fish-out-of-water splatter films? It's disappointing because Roth, who certainly talks a good game, is a huge horror fan and had actually contributed something of worth to the genre. But the sequel feels like *Jaws 2* to Roth's *Jaws* — just when you thought it was safe to go back abroad...

Roth does try something interesting with two American businessmen, Todd (Richard Burgi) and Stuart (Roger Bart), who have "won" Beth and Whitney in an auction run by the same shadowy folks who manage the torture factory. These two are like Chad and Howard from *In the Company of Men* given power tools and a heaping, homicidal dose of misogynist resentment. Their storyline plays out predictably, and one of them provides the visual that Roth is hoping will be the gorehound equivalent of the frank-and-beans moment in *There's Something About Mary*. (Those who've seen the same grindhouse flicks that Roth has — specifically, *Bloodsucking Freaks* — will emit a been-there-seen-that yawn.)

Without much sociopolitical subtext, we're left looking for meaning in the carnage, like Etruscans divining by entrails. An Elizabeth Bathory wannabe bathes in the blood of a young probably-a-virgin; there's some slapstick involving a severed head; like Takashi Miike in the first film, gore maestro Ruggero Deodato (*Cannibal Holocaust*) puts in a cameo as a refined flesh-eater. As before, most of the splatter is confined to the final third; before that, we spend a lot of time with the three girls, who are written sympathetically but with no particular insight. Roth had been around guys like the trio in the first *Hostel*; with these girls he's winging it, and he fails to give them much personality aside from the usual stereotyped victims in gore flicks. It's a switch, I guess, to have the socially awkward one — traditionally the "final girl" who perseveres and survives in films like this — be the first one to die, and in an outrageously sexually tinged manner, too. But we learn nothing about her killer, who presumably goes on to live life without the consequences of revenge.

Yes, this is Roth's revenge flick, his *Kill Bill Vol. 2*, in which one lone woman turns the tables. Many questions are left unanswered, signalling not artistic ambiguity but that Roth has written himself into a corner. *Hostel: Part II* is neither as memorably creepy nor as painfully graphic as its predecessor, so it even disappoints as a routine horror sequel. Roth has already said pretty much everything he had to say about the Slovakian factory of death; he never meant there to be a follow-up, and it shows. Roth has talent and enthusiasm to burn, and I'll be interested in what he does next, but maybe he should distance himself from people who not only don't discourage him from rehashing himself, but actively encourage it.

The next meeting of the Rochester Historical Society will be held at 7:00 pm on Wednesday, June 20 at the East Rochester Church. The program for the evening will be presented by Andrew Fredricks, a Revolutionary War reenactment actor. Andrew is a member of Tew's Company of Colonel Angell's Regiment, a volunteer nonprofit organization that depicts the 1st company of the 2nd Rhode Island Regiment in 1778 ([www.tewscompany.org](http://www.tewscompany.org)).

He will present the lives of both a private soldier and a junior officer of Washington's army as it was in the campaign season of 1778. He will demonstrate the kit and

accoutrements of the enlisted men who stood against the King's army and compare them to the officers that lead them. Join them for an entertaining, educational evening. Students are welcome and refreshments will be served.

The Museum at the East Rochester Church is now open every Sunday from 1:00 to 3:00 pm. Stop by for a visit. On Sunday, June 17 there will be a talk and review of the displays on the history of Rochester's mills at 2:00 pm. Local author and historian **Judith Westlund Rosbe**, who previously published captivating books such as *Maritime Marion* and a history of *The Beverly Yacht Club* has now turned her attention to the town's cultural gem, the Marion Art Center, on the occasion of the 50th anniversary of its inception. Ms. Rosbe's *Marion Art Center* is another compelling offering in Arcadia Publishing's "Images of America" Series which offers a unique pictorial history of the highly-regarded establishment which was founded in 1957 by a group of amateur actors and members of Saint Gabriel's Episcopal Church.

Under the guidance of Minister John Albert, who was very interested in the theater, a group known as the Hornblowers was formed to perform several plays as fund-raisers for the church at the Marion Music Hall before they began renting what was once the Universalist Church and eventually became the permanent home of the Marion Art Center. To this day, the center continues to stage theatrical productions and sponsor fascinating art exhibits which both reflect and nurture the rich history of the town.

as 2006's hit production of *Steel Magnolias* (above).

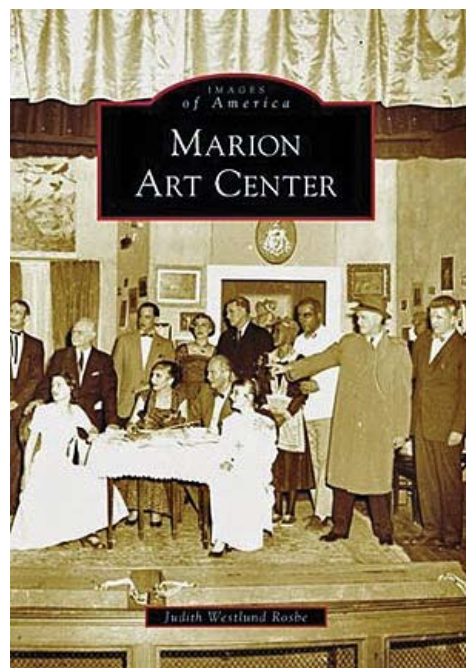

Ample chapters of the book are devoted to the Art Center's many theatrical productions, beginning with the Hornblowers' inaugural staging of *You Can't Take It With You* (featured on the book's cover) and tracing the half-century of dramatic entertainment right through more recent fare such

The book also offers great insight into the various art exhibitions and displays that have graced the walls of the Art Center's galleries beginning with the Annual Marion Art Show which began in 1956. When major renovations were done to the Art Center in 1964, the Cecil Clark Davis Gallery was formally opened to display and celebrate original works of art such as those done by Marion's most famous painter.

There's even an entire chapter devoted to Ms. Davis, which offers a rare glimpse into her more private moments at home in Marion, enjoying recreational activities such as tennis, and spending time with her many dogs. Ms. Rosbe's informative captions provide details about the award-winning artist that perfectly complement these frozen moments in time.

The last section of the book is devoted to "Other Activities" which highlights the many cultural and community events for which the Marion Art Center has become known including the Annual Halloween Parade in the village and ongoing workshops and classes for both young and old alike. Some of these more contemporary photographs really exemplify how the Marion Art Center has become an integral part of life for its namesake community and how it has continued to provide an important venue for art and entertainment for the last 50 years.

# “RELAY FOR LIFE”

*The American Cancer Society held their third annual Relay for Life of the Tri-Town at the Old Rochester Regional High School track on Friday, June 8 and Saturday, June 9 to raise funds in the fight against cancer. This year 21 teams of walkers raised more than \$60,000 before the first step had been taken on Friday night — more than tripling the total amount of money raised in the first year of the walk-a-thon in 2005. ## Rochester Country Fair

Summer is almost here ... and soon, the Rochester Country Fair will be here, too. Rochester will be celebrating its Eighth Annual event August 15 through August 19, 2007. The Fair Committee welcomes everyone to participate in the many events and contests planned, some of which will go along with this year's theme, "Set Sail to the Islands." But don't worry if you're not up to Coconut Bowling, Aloha Sack Races, or the Tiki Hutt Building Contest Challenge, prior year's favorites such as the Frog Derby, Bicycle Parade, and Pie Bake-Off will also return. Other new events and contests for 2007 include a "Seasons of Rochester" Photo Contest and a Horse Shoe Tournament.

## Your artwork could be printed on the cover of *The Wanderer*

This summer *The Wanderer* will be holding three cover artwork contests which are open to every creative person in the tri-town area. ### Mattapoisett Public Library

#### Summer Hours

The Mattapoisett Free Public Library's new summer hours, effective through August 25, begin on June 18. They are as follows: Monday, Thursday, Friday and Saturday 9:00 am until 4:00 pm; Tuesday and Wednesday 1:00 pm until 8:00 pm. The library is closed on Sundays and Holidays.

#### Reading Program

The Mattapoisett Free Public Library will sponsor its annual summer reading program, following the statewide theme, "Catch the Beat at Your Library." The six-week long program will begin early this year, starting Monday, June 18 and ending on Wednesday, August 1. Registration is now taking place.

A highlight of this year's program is by Parents' Choice award-winning performers Davis Bates and Roger Tincknell. Titled *Rhythms of the World: Stories and Songs for Everyone*, the program will involve the audience in a variety of cultural traditions, by celebrating the diversity of rhythms in music and the seasons. This participatory concert is a delight for all ages, and will include songs from around the world, clapping games, just-so stories, creation myths and more. Hear about cat's drum, how the bear missed the train, how coyote got his howl and be prepared to sing, move and dance.

There will even be a short lesson in how to play the spoons. The performance is appropriate to all ages and will take place at the Mattapoisett Free Public Library (temporarily located in Center School) on Monday, June 25 starting at 1:30 pm. This wonderful family-oriented entertainment event is sponsored in part by a grant from the Mattapoisett Cultural Council, a local agency which is supported by the Massachusetts Cultural Council, a state agency and by the Friends of the Mattapoisett Library.

Additional programs being planned are both preschool and toddler storytimes, a chess club, a photography and art class, weekly drop-in crafts, book clubs, a family Drum Circle, sponsored by Drumfish Drum circle, lawn games at Library Day, during Mattapoissett's annual Harbor Days week of events and prizes!

Children are asked to record the time they spend reading and then report that information regularly to the library. Everyone who has read for a minimum of five hours during the six weeks, is invited to attend the Ice Cream Sundae Party and prize raffle.

The purpose of the summer reading program is to encourage children to continue reading over the summer vacation from school. By doing so, they maintain their reading skills and return to school in the fall better prepared.

For further information please contact Linda Burke, Children's Librarian at the Mattapoissett Free Public Library, at 508-758-4171.

### A POWERFUL PRAYER TO THE HOLY SPIRIT

Holy Spirit, you who solve all problems, who  
light all roads so I can attain my goals, you who  
give me the divine gifts to forgive and forget all  
evil against me, in this short prayer, to thank you  
for all things and confirm once again that I never  
want to be separated from you, even in spite of  
all material illusions. I wish to be with you in  
eternal glory, thank you for your mercy towards  
me and mine. The person must say this prayer  
for three consecutive days. After three days, the  
favor requested will be granted, even if it may  
appear difficult. This prayer must be published  
immediately after the favor is granted without  
mentioning the favor. Only your initials shall  
appear at the bottom. C.L.S.
